

**International Poster
Biennale in Warsaw**

Dear colleagues, fellow graphic artists!

I have the pleasure of inviting you to take part in the thematic competition of the 26th International Poster Biennale in Warsaw.

This year marks the 100th anniversary of INDEPENDENCE being regained by Poland, the Czech Republic, Lithuania, Latvia and Estonia, with Finland having celebrated the same anniversary just last year. The competition therefore concerns such values as independence, freedom, brotherhood / solidarity, and community-based identity.

Please consider what these values mean to you personally, and whether in today's world there are places that demand your voices be heard.

Posters have more than once proved their effectiveness in the fulfilment of higher goals.

We're counting on your inventiveness.

Lech Majewski

President of the 26th International Poster Biennale in Warsaw
